Bats or Swallows by Teri Vlassopoulos, Invisible, 138 pages

In this debut collection from veteran Montreal zinester Teri Vlassopoulos, girls and 20-nothing women (mostly) struggle to resolve their hearts full of desire with heads full of reality. They believe, or at least want to believe, in occult things from astrology to 11:11 wishes. It's a sentimental belief - one that falters when reality sets in. Like her characters, Vlassopoulos' prose can be at times too safe, but she also writes with a stunning simplicity that makes her a writer of promise. s
